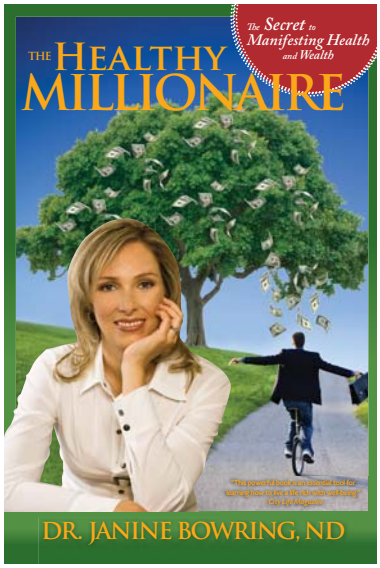
Enrich your health and wealth with the secrets of natural medicine!



Synopsis

Bringing together years of experience in the field of wellness, Dr. Janine Bowring, ND delivers a comprehensive guide for those who may be rich financially, yet poor in mind and physical health. For the successful or aspiring millionaire who intends to keep and create the millions he works hard for, Dr. Bowring, ND provides effective words of advice for a prosperous life free from disease.

The human body can become clogged daily with external and emotional toxins that can cloud one's spirit and balance. Dr. Bowring, ND teaches how naturopathic medicine can lift you to a level of affluence through the process of detoxification. This book explains the function of the body's major organs, how to refine your diet, exercise efficiently, and rid your body of toxins and infection with naturopathic remedies and beneficial exercises. **www.healthymillionairebook.com**
